Greetings:  

Knowledge is power! We are proud to be the only Trichology Training Institute authorized by the Nonpublic Postsecondary Education Commission in Georgia and the United States. The training course curriculum is energetic, extensive and knowledge empowering. We hope as a prospective student, your future involvement in learning at the Institute will further connect you to the beneficial investments of scientific trichology training.

The Distance Learning Program is uniquely structured for 12 1/2 months. Students only attend class once (1) per quarter. Classes are three (3) consecutive days, Monday -Wednesday (evening classes are Mon. & Tues. only). The Core Curriculum is 600 hours, which includes institute Academic Training, clinical and practical's as well as home work assignments. The program cost is $7995.00 and Student Loans are available as well as creative financing, VA Benefits, and sponsorship funding from employer's work-study programs.

Upon successful completion of our program and passing the national exam, students will be awarded a Diploma and Certificate of Certification in Trichology Health Care. We are authorized through the Georgia Nonpublic Postsecondary Education Commission to issue a diploma and certificate. Our certificate number is 953 and can be verified by accessing the Commission’s official website for Non-Degree Schools at www.gnpec.org.

This package includes registration enrollment documents. Once you have completed all of the forms, please fax or email them to the information listed on the forms. Should you have questions concerning scheduling of classes, costs, and hotel accommodations, please contact student affairs at 770-474-8177 Mon.-Fri. 9:00am-5:30pm.
We hope to see you in our next class!

Best Regards,

Connie Judge

- Trichological Practice and How To Set Up A Clinical Center

This high-level extensive 600-hour course will give you the empowering knowledge and confidence needed to be a capable Trichologist.

Get certified and take your career to the next level.
This course provides all the preparation you need to become a Certified Trichologist.

Gain the skills to make your profession easier.
Get a solid foundation in Trichology, a series of theory classes and methods of hands-on training will give you the skills you need to tackle many hair loss issues, sickness and diseases, and poor health challenges that your clients may have.

Certified Trichologist- sees the NTTI difference for yourself.
These are not your typical workshop classes. Check out the benefits of NTTI advanced training:

- **Custom-Designed Course Materials**
  Enrollees will receive complete training materials, which will include: Technical Manuals, Workbooks, and DVDs. In addition, students will refer to Power Point presentations, charts, graphs, and pictures for additional information and references.

- **Hands-On Learning**
  Students will also work with live models, as oppose to the use of mannequins, using our Trichol-o-scope imaging system to properly diagnose scalp disorders and hair loss issues for practical hands-on knowledge.

- **Medium Class Size**
  Class sizes are limited to ensure individual attention.

- **Highly Rated, Well Established Program**
  NTTI is the first Institute in the U.S. to offer a 600-hour Trichology Certification course that provides a Certification and Diploma. Conducting quarterly classes, students constantly rave over the exceptional knowledge, skills, & superb teaching abilities of the medical and trichology instructors. Students often encourage others to take the course once they have completed the program.
EARN YOUR TRICHOLOGY CERTIFICATION

AND TAKE YOUR CAREER TO A NEW DIMENSION

Register Early!
- The entire course is structured for 12 months and 2 weeks to complete.
- These subjects are not all issued in modular or hourly form; some are covered during your Clinical and Theory Training Sessions.

Training Sessions and Subject Matters:
Once you are formally enrolled with the Institute, you will be given dates for on-site training and learn how your internship (training) hours should be completed. NTTI will grade and monitor your progress and your submitted assignments. All exams will be completed and graded.
